The Lessor consents to the above-named Company enrolling plates for which Lessor is the DMV registrant in the NYC Department of Finance (DOF) Commercial Fleet Program. The Lessor understands that such enrollment will result in the Company rather than the Lessor receiving DOF Mail Notices of any outstanding parking violations and impending default judgments, and that pursuant to VTL 239 (2) the Lessor (as the vehicles' registrant) is jointly and severally liable with the Company for parking violations (although if any fines or penalties are paid by the Lessor, the Lessor may recover such amounts from the Company). The Lessor agrees that the Company is the agent of the Lessor for the receipt of notices of parking violations and for any and all notices of outstanding summonses and impending default judgments as DOF may issue, by virtue of the vehicles' enrollment in the DOF Commercial Fleet Program, as if such notice had been given to the Lessor, and that such notification made by DOF to the Company shall also be deemed to be lawful notice to the Lessor. The Lessor understands that it may obtain from DOF, upon its written request, the parking violation status of any and all Lessor vehicles enrolled by the company.
